January 15th, 2019 - For example when cooking rice this pressure cooker will save up to 20% of the electricity and up to 15% of the time when compared to a conventional rice cooker. When cooking stew, soups or braising meats this cooker will save more than 40% of time and more than 45% of power as compared to a conventional slow cooker.

#### **Elite Electric Pressure Cooker Tips and Basic Information**

January 19th, 2019 - Cooking in the pressure cooker with frozen foods can be really easy. And then it can also be a bit confusing. Just remember that if you're going to stick a giant big frozen slab of roast whole chicken into the pressure cooker, the machine will need to take some time to thaw it out enough to build up hot pressure inside.
